

Grzejemy jak Kawaleria

New products 2011

New electric water boilers' series **GoldLine** = SilverLine +

WE ALSO RECOMMEND

"Pułkownik" AsZN-W

"Generał" AsD-W

"Marszałek" AsDC-W

"Bateria" AsBII

GoldLine series:

-  weather compensation
-  weekly CH and HUW programming (minute accuracy)
-  room temperature controller built in boiler + room sensor
-  LCD steering panel
-  GSM control possibility

GoldLine series includes all of SilverLine key features:

- PID - proportional integral derivative controller
- DM - digital meter
- BM - boiler memory
- PAS - pump's automatic switch
- OSC - overheating system control
- Watch Dog - processor control system
- SC - switching controller

Grzejemy jak Kawaleria

New products 2011

New pump modules with mix system series

**WE ALSO
RECOMMEND**

Boiler's pump module with mix system

Advantages:

- Boiler's return protection (against dew effect)
- Required along with new solid fuel CH boilers installation (guarantee terms)
- Pump work regulation according to temperature differences (supply vs. return) - (turns pump off when low supply temp. occurs)
- In case there is no separate safety pipe in CH, boiler will not be cut off from open system vessel (as it happens in case of 3- and 4-way valves)
- Works quicker and more efficiently than 3- and 4-way valves

Floor heating's pump module with mix system

- Floor area - up to 120m²
- Possibility to link up two separate funnels
- Regulation from 2° to 50°C

New ThermLine room and pump thermostats

Room temperature controllers RT

ThermLine RT-R
ThermLine RT-F
ThermLine RT-RF
ThermLine RT-RW

Advantages of RT controller:

- Programming with accuracy of 1 min.
- 9 independent programs
- Actual temperature setting
- Accurate hysteresis - from +/- 0,1°C to +/- 1°C
- Removable steering panel (safe installation)
- Build-in installer mode
- 16A relay
- Non-volatile memory

Pump temperature controllers PT

ThermLine PT-P2
ThermLine PT-P3
ThermLine PT-P4

Advantages of PT controller:

- LED display
- Intelligent Anty Stop system
- Anty-freeze
- Simple handling
